

Pacific Sub-Regional Training Workshop on “Strengthening National Capacities in Education Data and Statistics for Evidence Based Policy Making, Planning and Monitoring of SDG 4”

Nadi, Fiji, 21-25 November 2022

Agenda

Time	Agenda	Topic	Methodologies	Presenter	Resources
DAY ONE					
08:00-08:45	Registration			UNESCO/UIS	
08:45-09:15	Opening	Welcome and introduction	Remarks	SPC/ UNESCO/ UIS	Video message
09:15-09:35	Item 1: SDG 4 Targets and monitoring	SDG 4 monitoring Framework and Indicators (benchmarks)	Presentation and Discussion	Nyi Nyi	PPTs
09:35- 10:00	Item 2: SDG 4 Monitoring and International Education Data and Statistics	SDG 4 Indicators - data sources, methodologies, interpretation, and use for decision making	Presentation, discussion, and Exercises	Roshan	PPTs/Quiz
10:00-10:30		Coffee Break			
10:30- 12:30		SDG 4 Indicators - data sources, methodologies, interpretation, and use for decision making	Presentation, discussion and Exercises	Roshan	PPTs/Quiz
12:30- 13:30	Lunch Break				
13:30- 14:15	Item 2 (continued)	International Standard Classification of Education (ISCED 2011) mapping	Presentation and discussion	Greg	Discussion Questions/PPTs
14:15- 16:30		Review of National Education systems and ISCED mapping	Individual country group to review national ISCED mapping followed by discussion		National ISCED mapping for participating countries
15:00- 15:30		Coffee Break			
16:30- 17:00		Review of National Education systems and ISCED mapping	Plenary		

Day Two

09:00- 10:00	Item 3: UIS tools and data collection processes	Introduction to UIS annual surveys and new template for international data compilation	Presentation and discussion	Roshan	PPTs	
10:30-10:30		Issues and challenges in responding to UIS questionnaires especially during COVID-19 and beyond	Group work based on guided questions	Roshan	Group work questions	
10:30-11:00		Coffee Break				
11:00- 11:30		<i>UIS New Template (Fiji's Experience)</i>	Country sharing	Fiji		
11:30-12:30		Strengthening data system to respond to UIS questionnaires including future data needs	Plenary discussions	Roshan		
12:30-13:30	Lunch Break					
13:30- 14:00	Item 4: Strengthening National Education data system	Mapping of national education data system, availability and gaps in data and indicator for SDG 4 (based on pre-workshop survey)	Presentation	Nyi Nyi	Pre-workshop survey questionnaire/ PPTS	
14:00- 15:00		Developing a comprehensive National SDG 4 monitoring system and Strengthening EMIS for better quality and accurate data	Case studies and group presentation	Roshan	Case studies/PPTS	
15:00- 15:30		Coffee Break				
15:30- 16:00		Establishing School Management Information System (SMIS) for strengthening EMIS	Presentation	Nyi Nyi	PPTS	
16:00- 17:00		<i>Sharing of education data system in the countries including Questionnaires and key variables</i>	Presentation and discussion	Countries	Need to identify countries	

Day Three

09:00- 11:00	Item 5: Data compilation and national/International reporting	Generating various tables to report to UIS- student by levels and age including hands on session	Presentation, discussion and exercise	EQAP		
11:00- 12:30		Generating various tables to report to UIS- Teachers by levels including hands on session	Presentation, discussion and exercise	EQAP		
12:30- 13:30	Lunch Break					
13:30- 15:00	Item 5 (continued)	Generating various tables to report to UIS- schools' facilities and others including hands on session	Presentation, discussion and exercise	EQAP		
15:00- 15:30		Coffee Break				
15:30- 16:15		Preparation for International reporting	Plenary	Roshan		
16:15-17:00		Preparation for national education Digest	Presentation, discussion	EQAP		

Day Four

Day Four						
09:00- 10:00	Item 6: Household and learning data for Monitoring SDG4	Household and learning data for monitoring SDG 4	Presentation	Nyi Nyi and Roshan		
10:00- 10:30		PILNA for education quality improvement	Presentation	EQAP		
10:30- 11:00	Coffee Break					
11:00- 11:45	Item 7: Education data analysis and use for decision making	Understanding the linkage between data/ indicator and policy analysis	Presentation and discussions	Roshan		
11:45- 12:30		Exercise on data analysis	Exercise	Nyi Nyi	3 Case scenarios/data tables/instruction for the exercises	
12:30- 13:30	Lunch Break					
13:30- 14:30	Item 7 (continued)	Exercise on data analysis (Continue)	Case analysis and group exercises	Nyi Nyi		
14:00- 15:00		Reflection and lesson learned from the exercise	Plenary	Nyi Nyi		
15:00- 15:30	Coffee Break					
15:30- 16:15	Item 8: Regional and national Benchmarking	Overview of the benchmarking process, challenges, and the way forward	Presentation and discussion	Roshan		
16:15- 17:00		Presentation and discussion on establishing Regional minimum Benchmark values for additional regional indicators	Presentation and consultation	Roshan		
Day Five						
09:00- 10:00	Item 9: National Mid Term Review of SDG 4	Objectives, process, and approaches	Presentation and discussion	Nyi Nyi		
10:00- 10:30		Establishing a national mechanism, and outline of the review	Plenary	Nyi Nyi		
10:30-11:00		Coffee Break				
11:00-12:30		Strategies for data collection, compilation, data gaps	Guided discussion	Nyi Nyi		
12:30-13:30	Lunch Break					
13:30- 14:30	Item 10: PacREF and Monitoring	PacREF Monitoring and linkage with Md Term Review	Presentation and discussion	EQAP		
14:30- 15:00	Closing Remarks
